

Black Diamond Gospel Chapel
TWO SERVICE INITIATIVE
Questionnaire

The purpose of this questionnaire is to garner feedback from you, God's people here at the Black Diamond Gospel Chapel. We have laid out our proposal and desire your honest input before we make any concrete plans in this direction.

1. What is your overall sense of what was presented tonight?

2. What concerns do you foresee in a move to this format?

3. What are the positives that you foresee in a move to this format?

4. Would you support the Church if we move to this format? YES NO

5. Based on the answer to the previous question, would you be willing to volunteer where God has gifted you? If yes, please explain in what areas/ways? If no, please explain.

6. Which service would you likely attend based on what you've heard tonight and why?

7. Recognizing that we are all concerned about the continued 'family, fellowship' feel that our church has, what are some ideas that we could utilize to keep the connections strong between one another?

8. What would your expectations of your pastors/elders be as we would move to this format?

9. As our church continues to grow, what do you perceive our next option is longterm?

Please prayerfully consider these questions and have them into the 'Chairman of the Elders' box by next Sunday, February 15th/'09.
